

**BID0324 A PANEL OF EXPERTS IN PROJECT MANAGEMENT AND RELATED SERVICES QUESTION AND ANSWERS**

Q1: Do we attach CVs of professionals listed on pricing schedule as the technical evaluation isn't specific:

**A1: Yes you must attach the CV and you must give us the rate of how much you charge in those roles indicated.**

Q2: With company experience I posed the question of are we only limited ICT PROJECTS, or we can add in additional reference letters of other infrastructure rendering project management services. As we are bidding for the PANEL A-MULTI DISCIPLINARY.

**A2: - The bidders can submit in 2 panels but can not participate in both panels. If you get the contract in panel B you will not be contracted in panel A.**

Q3: Kindly clarify if the CIDB Grading requirement is a disqualifying factor and what grading and industry is required as its not listed in the document but only on page 5.

**A3: This is just a standard BID document, CIBD is not a requirement. You can disregard the clause.**

Q4: What consideration is given to companies that are relatively new and lack extensive experience, yet have employees with relevant experience and expertise

**A4: We evaluate the company's management structure, resources and processes to ensure they can manage and deliver the project.**
