## The Department and its implementation Agency commit to strategic alignment of initiatives and programmes

On Friday 21 October 2022, the South African National Energy Development Institute's (SANEDI) newly appointed Chief Executive Officer, Dr. Titus Mathe, met with senior officials from the Department of Mineral Resources Energy (DMRE), Mr. Xolile Mabusela: Energy Efficiency and Mr. Thebe Mamakoko: Investment Promotions who shared focal areas and ongoing programmes.

Mr. Mabusela and Mr. Mamakoko, highlighted areas of alignment within the Energy Efficiency Chief Directorate and Just Energy Transition initiative that the Data and Knowledge Management Programme at SANEDI could support in addition to other strategic areas like Energy Planning, already being discussed between the Department and its implementing agency (SANEDI).

In addition, the Acting General Manager for Smart Grids & Data and Knowledge Management – Mr. Teslim Yusuf, highlighted how over the years, SANEDI's Energy Efficiency Programme led by Mr. Barry Bredenkamp and now supported by Acting General Manager Dr. Karen SurrIDGE have worked very closely in realising the targets and focal areas of the post - 2015 National Energy Efficiency Strategy (NEES) such as i) The Public Sector ii) The Residential Sector iii) The Commercial Sector and the iv) The Industry and Mining Sector which support policy implementation.

In conclusion, Dr. Mathe was pleased to see the great efforts of collaboration over the years and pledged to strengthening the relationship between the Department and its implementing agency (SANEDI) contributing to addressing more strategic and crucial pinpoints on Energy Security.
